

1. Eventos:

1.1. Call for Abstracts - PhD Conference "Knowledge Gaps in Climate Change Research - How are you tackling it?" The Tyndall Centre for Climate Change Research is hosting the second annual PhD Conference at the University of East Anglia (Norwich, UK) from the 11-13th April 2012. Registration is now open for this event via the website <http://www.tyndall.ac.uk/knowledge-gaps-conference> and will remain so until 1st March, although places will be allocated on a first come, first serve basis. Abstracts must be received by the 23rd January 2012 via the same registration form.

2. Trabajos y Fondos

2.1. The Institute for Environmental Studies of VU University Amsterdam has 3 vacancies for PhD students in the field of Urban Development, Landscape Management, Land Use Change and Climate Adaptation. PhD Coastal Cities and Flood Risk: http://www.vu.nl/nl/Images/1.2011.00285_tcm9-244200.pdf

PhD Values of Landscape and Landscape Management: <http://www.vu.nl/nl/werken-bij-de-vu/vacatures/2011/1-2011-00284.asp>

PhD Supporting Sustainable Urban Development: <http://www.vu.nl/nl/werken-bij-de-vu/vacatures/2011/1-2011-00283.asp>

2.2. Post doc at the Vegetation Index and Phenology Lab (vip.arizona.edu) at the University of Arizona. The lab is seeking a research associate in the field of remote sensing. More info and application at www.uacareertrack.com/applicants/Central?quickFind=203159

2.3. Postdoctoral Researcher Land Use Change Modelling, University of Edinburgh - School of GeoSciences
<http://www.jobs.ac.uk/job/ADN108/postdoctoral-researcher/>

2.4. a) Three funded PhD positions on an NSF funded study of the socioecological dynamics of reforestation in Appalachian Ohio,

b) Two-Year Postdoctoral Research Associate Position in Remote Sensing and Ecosystem Modeling <http://aofrg.osu.edu/news.html>

2.5. Students interested in working on land use change, for a PhD project building on our work in Mozambique. It's competitive with other projects, but if successful, EU/UK nationals are fully funded. <http://www.geos.ed.ac.uk/homes/cryan/>
